

Worksheet # 4 – “Road Trip”

1. Imagine that in one week’s time you will be leaving on a trip that will take you to an exotic location of your choosing somewhere else within the country where you live.
2. All expenses have been paid for this trip. The only catch is that no plans have been made on how to get to this exotic location.
3. It has been left to you to figure out the best way to get there.
4. In getting to this location, you have been told that your trip must include the following:
 - Visits to museums in two large metropolitan cities.
 - An overnight stay in a cabin by a large body of water.
 - A visit to a professional sporting event.
 - Travel through a mountainous region.
5. You will have one week to reach your location.
6. What route would you take to accomplish this trip? Strategize in the space provided below.

City/town I currently live in: _____.

Final city/town I will visit on this trip: _____.

- What route will you take to get there?
- What means of transportation will you use?
- Where along the way will you stop in order to fulfill the trip requirements listed above?
